## RESEARCHER, WRITER, DESIGNER

*MAY 2014 - PRESENT*

I care about people and I work to understand the broken systems they inhabit and, where possible, make positive changes to them. I've worked with CEOs and school children; in workshops and in after school clubs to give perspective and make a difference.

## SKILLS

**Research, Interviewing, Writing, Systems Thinking, Mind-Mapping, Wire-framing, Prototyping, Testing, Agile Project Management, HTML, CSS.**

## NOTABLE EXPERIENCE

**WORKERBIRD** *— CREATIVE DIRECTOR, JULY 2019 - FEB 2020*
Demonstrating the social value of a service used for understanding, diagnosing and improving "work-life balance" and working conditions.

**DWYL** *— LEAD DESIGNER, MARCH 2016 - OCTOBER 2018*
A software agency for charities and the third sector working with clients including, Action for Children, Ellen MacArthur Foundation, and City University.

**FOUNDERS & CODERS** *— TEACHER, NOV 2014 - PRESENT*
A coding school I co-established in 2014. I introduced design thinking to the curriculum and this year I'll be teaching the 19th cohort of diverse students.

## EDUCATION

**KING'S COLLEGE LONDON** *— SEP 2010 - JULY 2013*
BACHELOR OF LAWS (LLB), 2:1

**ADAMS' GRAMMAR SCHOOL** *— SEP 2003 - JULY 2010*
3 A-LEVELS (A-A*)
